To whom it may concern

I am writing to recommend the services of the C3 Industrial Blasting & Coatings, Inc. I have been using C3 Industrial to service our painting needs for the past two years, and have always been completely satisfied. They do an excellent job, are always punctual, and offer the most competitive rates in town. They have been very reasonably priced, and always do exactly what we ask of them.

I'm happy to recommend the services of C3 Industrial Blasting & Coatings, Inc. If you have any questions, feel free to contact me.

Sincerely,
